THE POLICY MAKERS OF AUHSD

BOARD OF TRUSTEES: Bottom Row (1 to r); Royal C. Marten, Ben H. Schroeder; Top Row (1 to r); Kenneth Heuler, Erving Pickler, William A. Almand.

The administrative system is directed by the Board of Trustees. This governmental body is responsible for the affairs of the Anaheim Union High School District. Their policies affect all fifteen schools which are Anaheim, Kennedy, Loara, Magnolia, Savanna, and Western High School. As well as, Ball, Brookhurst, Crescent, Dale, Fremont, Oak, Orangeview, Trident, and Walker Junior High School. These men, who are elected to their positions are local businessmen that receive no compensation for their services other than a true sense of accomplishment which comes with a job well done.

Superintendent of Schools, Paul W. Cook has held this position since July 1, 1958. Mr. Cook has more than proved that his qualifications make him deserving of this office. He began his career at El Centro Junior High School where he taught math and English. Following this position Mr. Cook became principal of a small country school in Heber. The post of Superintendent of a small elementary school district and then of Anaheim Union High School District recapitulates his career to date.

Mr. Paul W. Cook

DEDICATED LEADER ---AVON B. CARLSON

Mr. Avon B. Carlson, Western's second principal, has set out to make Western, "not just very good, but the best." And Western's best has been prevalent throughout Mr. Carlson's third year as principal, for the famed excellence of Western is displayed throughout Orange County by the exhibitions of the band and drill team, the top debating squad, the number one athletic teams, the high academic standard and the tremendous school spirit.

Mr. Carlson is a man dedicated to the high school, the students, and the surrounding communities. "The purpose of a school such as Western is to prepare young people for their future positions and to keep them striving for improvement. Students must be trained to accept responsibility in job placement and citizenship and to take moral and spiritual concern for the total American concept of primary principles."

He emphasizes, "Being a free, classless society, everyone can strive for improvement and accomplish it to great lengths, by avoiding the pitfalls of low grades, poor attitudes, and apathy in general."

Mr. Carlson says that, this being a selective society, self-discipline is obviously the key to it. "In a democracy such as ours every person has the choice of entering whatever field is adaptable to him. This is why self-discipline must be imposed."

Western's principal feels that he is one of the many fortunate people who has had the 'breaks' in life or he would not be in a situation as he is now.

Born January 12, 1919, in Riverside, California, Mr. Carlson attended grammar school there and then went on to Riverside Polytechnic High School, where he was student body president and a star debater. He has described himself as being "a real campus politician" at Riverside Poly.

After his high school graduation in 1937, he matriculated to California Polytechnic College in San Luis Obispo, where he majored in veterinary medicine and was also active in campus affairs. Upon receiving his bachelor of arts degree from Cal Poly, he attended graduate schools at Cal Poly Voorhies Campus in Pomona and the University of California at Davis, where he earned a master's degree. He is currently working on a doctorate in veterinary medicine at the University of Southern California.

Before coming to the Anaheim Union High School District, he taught Agriculture at Arroyo Grande High School near San Luis Obispo. In 1948, he began his local teaching career as an instructor in Vocational Agriculture at Anaheim High. Six years later he took over the duties of vice-principal at Fremont Junior High; and then principal of Brookhurst Junior High and Orangeview Junior High, respectively. In 1962, his career led him to the position he has now — Principal of Western High School.

STUDENT SUCCESS

Mr. Allen Nelson

Western is fortunate to have such a dedicated administrative staff. Their devotion to excellence has impressed in every student the desire to succeed in their education. Under the influence of Western's vice-principals, Mr. Allen Nelson and Mrs. Norma Lee Elliott, students have recognized that self-discipline is of first importance. Mr. Bell has more than fulfilled his duties as attendance counselor. Mr. Mohler, Director of Finance, and Mr. Clough, Director of Activities, have proven for future classes that the class of '65 was a little bugger and a lot better!

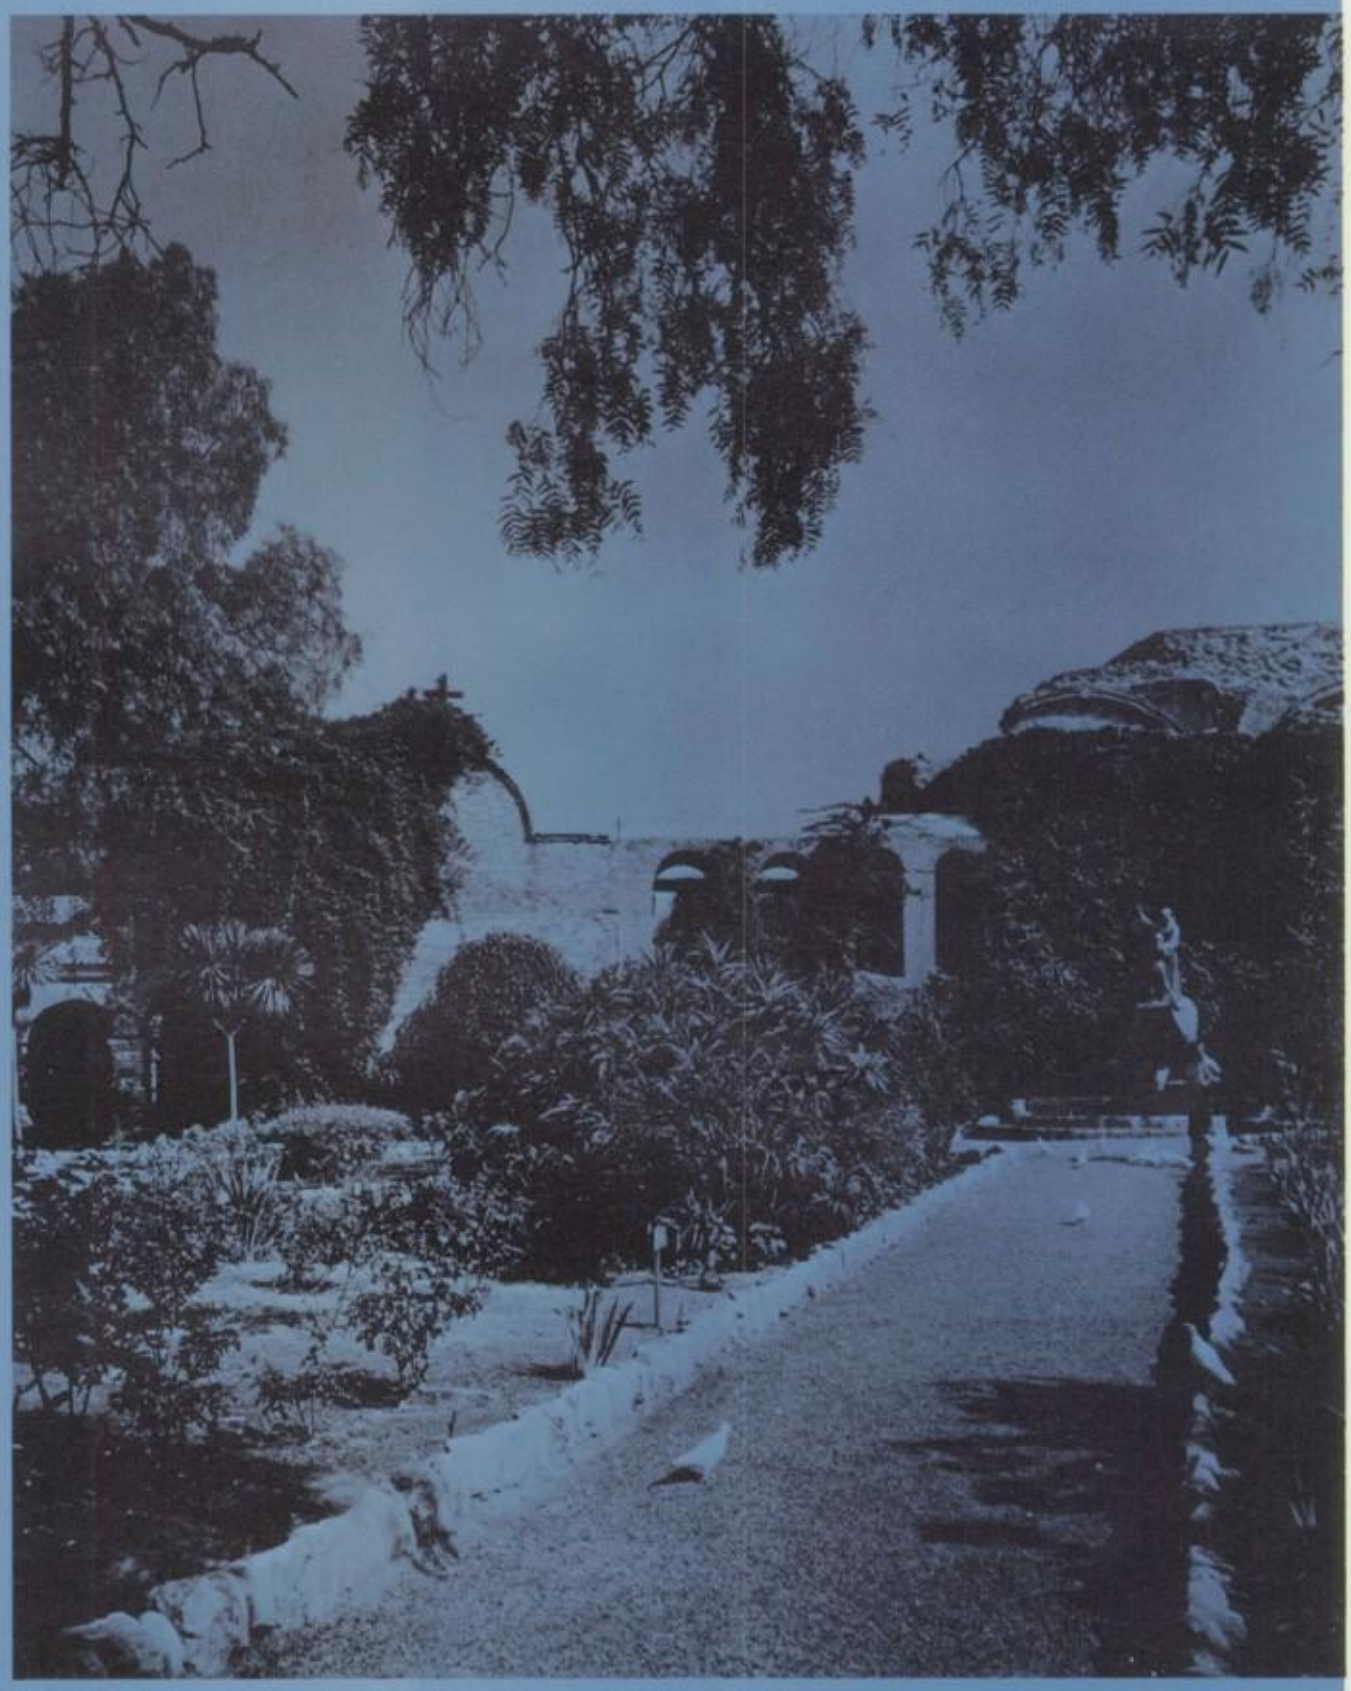
CLASSES



SENIOR CLASS

The Senior Class of 1965 has dedicated itself to preserving traditions and establishing Western as the finest school in Orange County. Class Advisor Mr. Rudolph Richards has devoted himself to the graduating class of 1965. The Senior Class has been guided by outstanding and capable leaders: President Marvin Torrez, Vice President Sue Bernard, Secretary Sue Andersen, Treasurer Mary Lynn Burke. Working harmoniously with the administration, faculty and student body of Western, these class officers have accomplished much in the school year 1964-65. The Senior Class has sponsored senior fun night, senior brunch, and the senior gift. Seniors form the nucleus of the other major organizations, athletic teams, band, drill team, and choir. It is through these outside clubs that Western has gained so much prestige and recognition through the county. The Silhouette Drill Team, and Pioneer Band were awarded national acclaim, as they were one of the few bands and drill teams selected to appear on Walt Disney's Wonderful World of Color. The A Cappella Choir also appear every year on this same program. The class of 1965 has realized success in all of its endeavors.

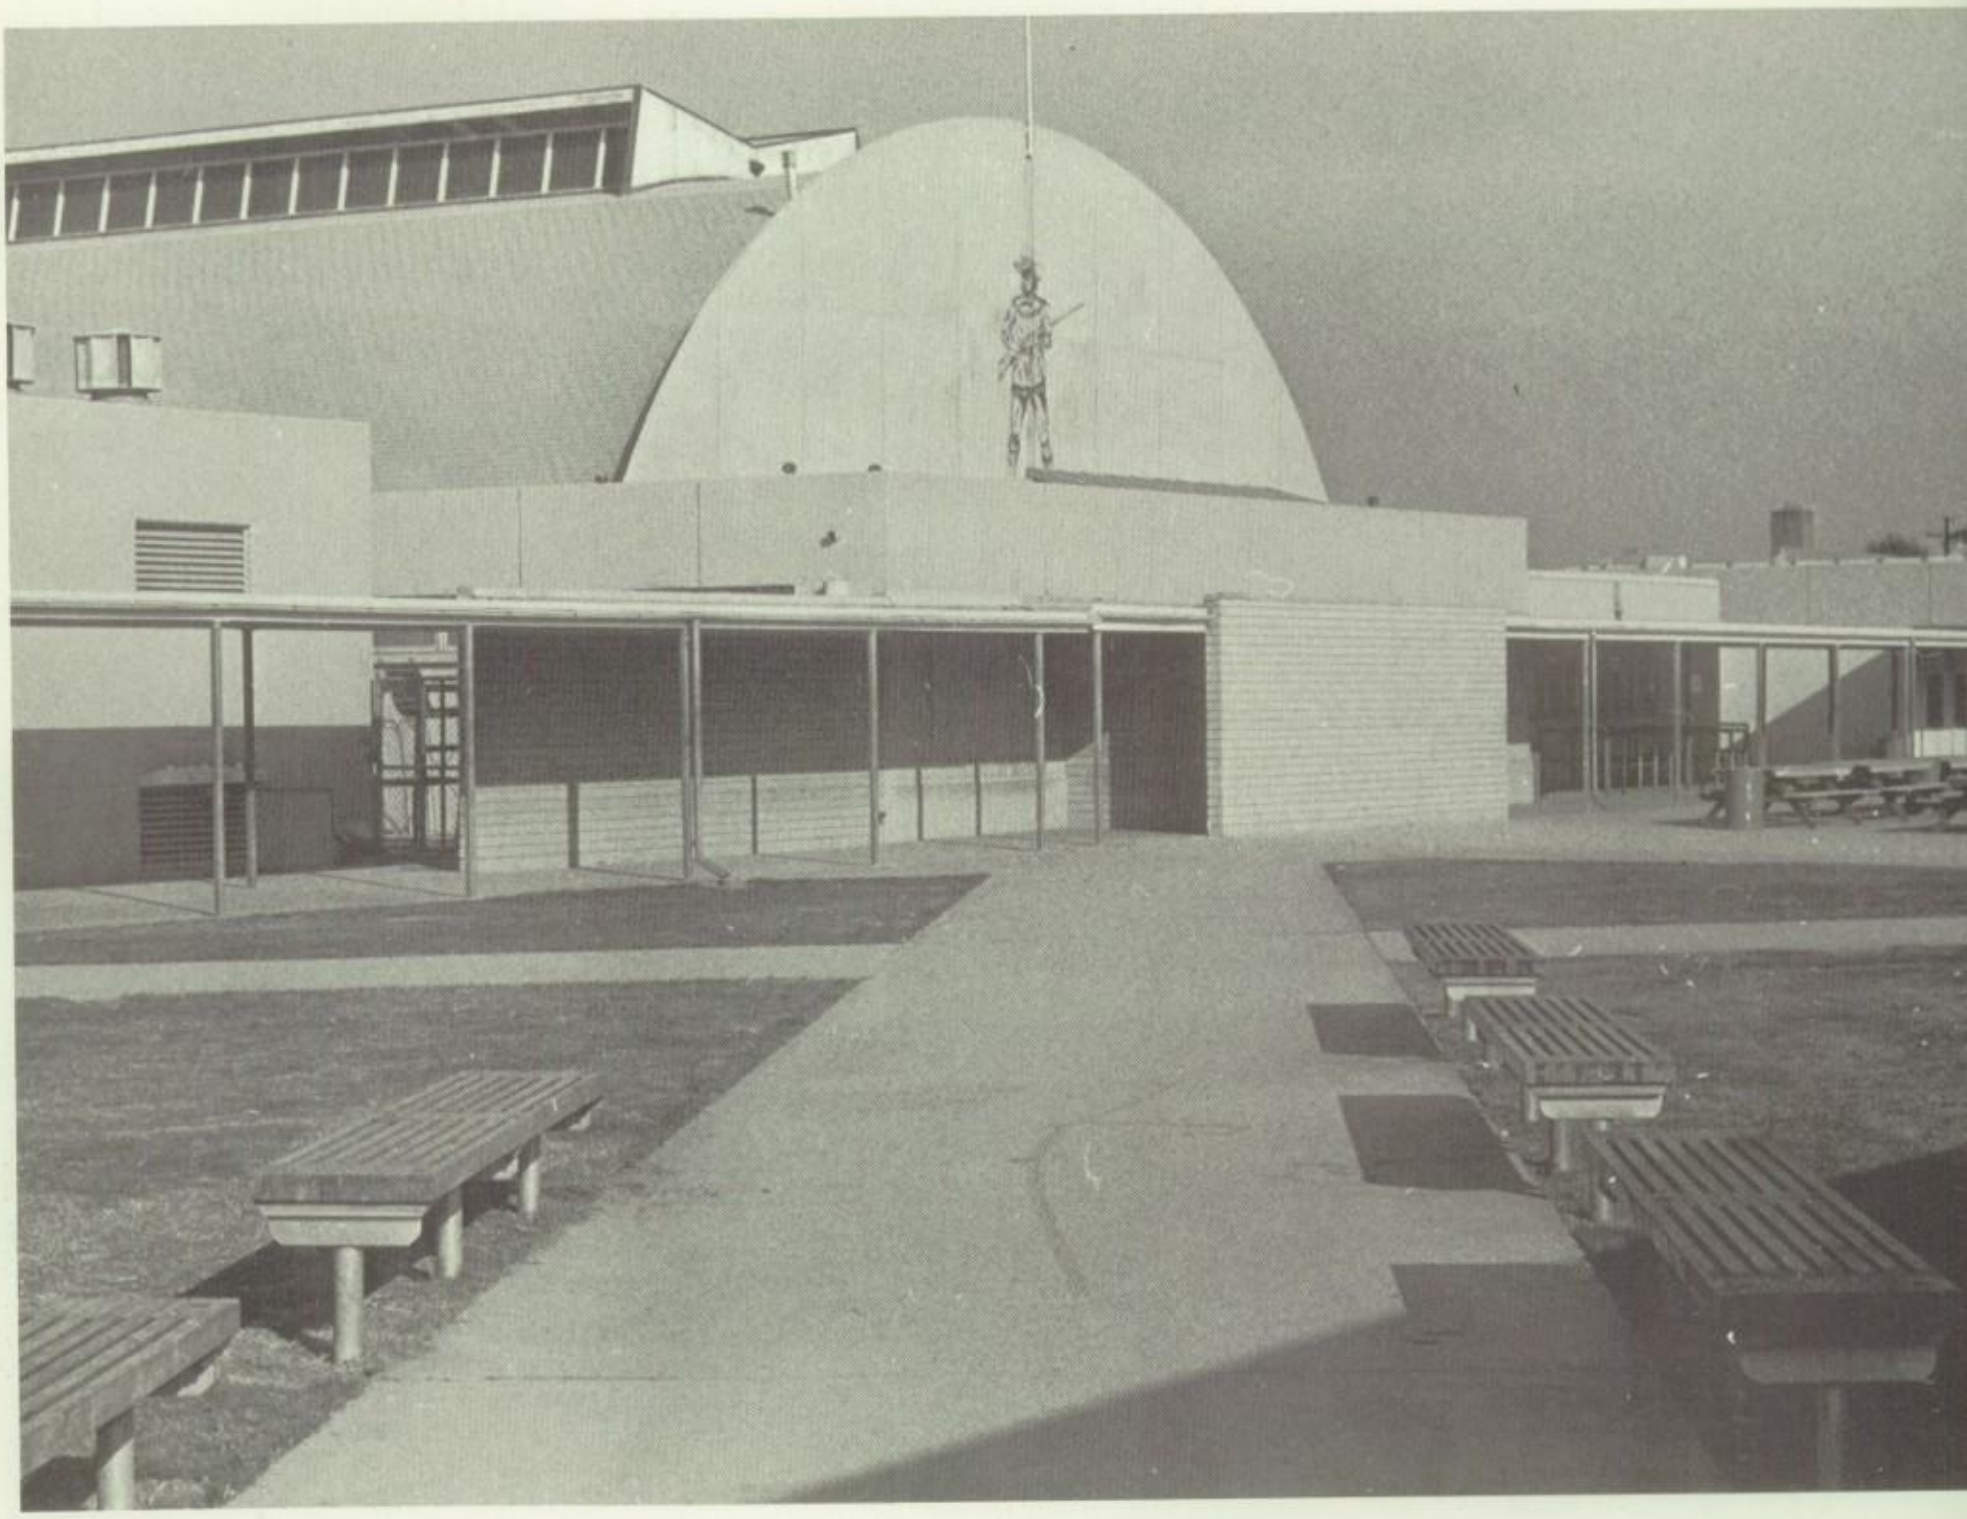
Sue Andersen, Senior Class Secretary, was a finalist in the National Council of English Teachers competition; one of the nation's top honors.

Anthony Zibura

Sue Andersen is flanked by her Western English teachers, (l to r) Mr. William Patterson, Mr. Robert Clough, and Miss Margaret Taylor.

School spirit reached peak during beat Anaheim week.

Even the faculty participated in the ceremonies.



JUNIOR CLASS

Undoubtedly looking forward to next year when the burden of responsibility will rest squarely upon its shoulders, the Junior Class worked hard to establish itself as an outstanding and capable class of the future. The Junior Class was ably advised by Mr. Ezra Van Horn. Mr. Van Horn not only advised the Junior Class officers, but he served as varsity basketball mentor. Part of the success of the Junior Class must be attributed to the capable leadership demonstrated by the class officers: President Joe Phair, Vice President John Shepard, Secretary Edris Ruisch, Treasurer Linda Walker. Through hard, dilligent work, the Junior Class sponsored one of the most successful Junior-Senior Proms in the school's history. Perhaps the most useful service performed by the Junior Class was the organization and printing of the student directory. The success of this year's junior class has insured a bright and productive future for Western and the class of 1966.

MAY I HAVE YOUR SIGNATURE?

Di, (a great car washer)

Well, I've known you for a long time and I'm really glad of it. You so sweet and a blast to be with. I hope we do a lot of things this summer together. Maybe we will get a job at the same place if we're lucky. I just can't tell you how glad I am to be a friend of yours and I hope I stay a friend for many many years to come. Well, I can't think of much else to say except have a good summer and Good Luck in your future (with Rod + Hal) (ha, ha) years. Well, I'll see you later and Good Luck again.

Your friend for always,

Bonnie

SOPHOMORE CLASS

The Sophomore Class has learned to accept the challenge and responsibility of high school by experiencing and handling the problems that confront them. Mr. Owen Lee has helped to orientate the sophomores to the high school way of life. The class officers—President Tim Wray, Vice President Norman Reed, Secretary Donna Heard, and Treasurer Sue Lloyd—have shown the maturity and capability that is required of student body officers. The Sophomore Class sponsored the Sophomore Sweetheart Ball with a theme of "Oriental Fantasy." The Ball exemplified the outstanding job done by this class in all endeavors. The Sophomores have shown a sincere desire to become an active part of the Western campus. The organizations, athletic teams, and special units have received the benefit of this eagerness to participate. Although this year has been one of adjustment and learning for the Sophomore Class, it has also been one of fulfillment.

CHEERLEADERS' ENTHUSIASM GENERATES SCHOOL SPIRIT

Di, I have really enjoyed knowing you. We are G.A.A.- As seniors I wish you the best of everything. We are going to be great school starts in bring back school spirit to good ol' Western -
Love & luck

CHEERLEADERS: (l to r); Laurie Dawson, Sue Etchandy, Jonnie Andrews, Vicki Arnold, Carolyn Esky.

Head Leader Jonnie Andrews

The Spirit of a high school may be attributed to a devoted student body, an outstanding team, and quite often to an enthusiastic cheerleading squad. Western's cheerleaders have proved themselves an asset and an incentive for Pioneer victories.

Under the leadership of Jonnie Andrews the Cheerleaders have added original and pointed skits to assemblies, they have developed new and clever routines, and have kept the student body well-informed on campus activities. Their enthusiasm exemplifies the CLASS OF 1965.

Wearing Homecoming mums, Songleaders welcome Class of '60.

Head Leader Maureen Andrews

Western's Songleaders began their practice during summer vacation. Besides devising and rehearsing routines during this holiday, many of the girls attended Songleader Camp at the University of Redlands.

Working closely with the Pioneer Band, the Songleaders execute routines to Western's patriotic songs. They also appear in skits staged during pep assemblies and are enthuiastic spectators at all Pioneer contests.

Their interest in all phases of campus life distinguish the Songleaders as an outstanding unit and proud members of the CLASS OF 1965.

Precision in movement symbolize the Silhouette Drill Team. Although their costumes may vary from top hats and tails to cowboy hats and vests or sailor hats and red ties, the Silhouettes captivate audiences wherever they perform. Standards of excellence in character, dress, and grades distinguish members of the Western Drill Team. They made their first nationally televised appearance this year on Walt Disney's Wonderful World of Color. They also highlighted the Christmas Season by performing in the annual Disneyland Parade. Silhouette excellence was awarded with a first place at the Hawthorne Parade, the only competition entered this year. Their achievements reflect a superiority that can only improve the reputation and traditions of the Silhouettes. The hours of practice time donated by each Silhouette express the pride and devotion each member has for the Drill Team and Western High.

American Field Service sponsors many activities throughout the year so that a foreign student may come to America and attend Western High School. One of the most popular activities is the slave sale. At this event, Seniors are auctioned during lunch to act as a slave for a day. Their tasks vary from homework assignments to shoe polishing.

This year's foreign student Jaime Vargas-Lopez was a willing slave to Jonnie Andrews. Although Pioneers must soon say good-bye to Jaime, they know that they have made a loyal friend.

FACULTY IS OVERWHELMED 55-35

Mr. Kendall grabs a rebound from Varsity players.

This year the Faculty-Varsity Basketball game proved again to be more exciting and hilarious than before. The Pioneer cagers used a tight full-court press and a fast-break offense to take charge of the game. The Sunset League Champs clicked from the outset and with good shooting coasted to a 55-35 upset victory. The faculty defeat marked the first Varsity victory since the origin of this contest.

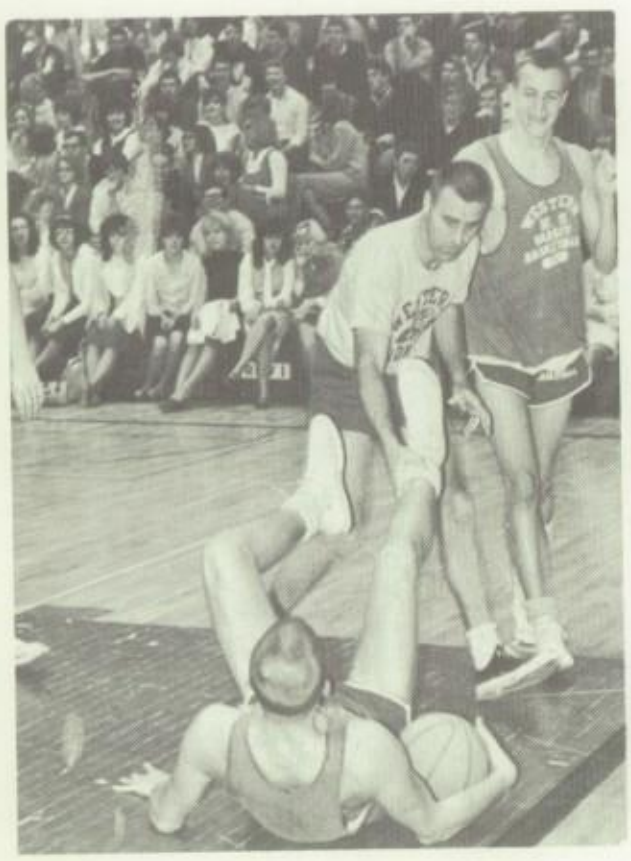
Both Varsity and Faculty try for the rebound.



Many strange situations arose during the game.

ASSEMBLIES EDUCATE AND ENTERTAIN

This year Western has enjoyed another year of many fine assemblies. The most exuberant and numerous were the pep assemblies which contributed greatly to Western's outstanding school spirit. The Thanksgiving assembly, featuring popular folk singer Tim Morgan, was sponsored by the Westernettes. The annual PTA assembly brought the Radiums dance band to the campus for the Pioneers' enjoyment. Atomic Energy was the subject of another assembly with a lecture and several interesting demonstrations. Pioneers should truly be appreciative of the fine entertaining and educational assemblies which have been presented this year.

The Westernette's assembly featured folk singer Tim Morgan.

The PTA assembly entertained students with "The Radiums."

Songleaders perform routines at a pep assembly for basketball.

All rise for the "Alma Mater."

At this assembly Western students joined forces to entertain Pioneers.

Editor-in-chief, Delores Ollstedt.

During a busy year at Western the Pioneer Press staff is constantly on the go covering news stories, laying out pages, and distributing the final news. A lot of water goes over the dam before the actual newspaper is ready for the reader.

Along with the responsibility of publishing a newspaper, the Press staff attends journalism tournaments, conferences, and field trips throughout the year. Among these are the University of Southern California Journalism Day and the Annual Journalism on the Spot Writing Tournament.

This year brought a special honor to the Pioneer Press Staff as they were asked to publish the premiere edition of the CATE Communicator, which catered to the interests of the Seventh Annual Conference of California Association of English Teachers.

YEARBOOK STAFF PREPARES THE

Members of the Pioneer Annual Staff for 1965 have devoted many hours to creating a complete and imaginative yearbook. A yearbook must summarize and retell the events of the school year in a creative and appealing style. Realizing this responsibility the annual staff for 1965 has worked dilligently to satisfy the demands of the Western student body.

Wasting no time, Lynn Sirmons, business manager, and Bobbi Jo Thrapp, class editor, work to meet deadlines.

PROMOTING WORLD FRIENDSHIP

The motto "Walk together, talk together, all ye nations of the earth: then and only then, shall ye have peace," states the purpose of the American Field Service. This organization earns money through various activities to bring foreign students to Western for a year. This money also contributes to the Americans Abroad program which sends Pioneers to a foreign country. Members enjoy activities which include selling pizza, slaves, and AFS bonds. A post-game dance for the Anaheim Basketball victory was given, as well as an international potluck and the AFS assembly. The purpose of AFS and the enthusiasm of its membership makes it truly an organization of friendship.

Each member must do his part to benefit CSF and Western. This year's project was the sanding and refinishing of lunch benches. The club also attended field trips to the Huntington Library and a movie. One of the highest honors awarded a senior is the Gold Seal which is given to outstanding academic students who have maintained their membership in CSF. Western's chapter of CSF is a group of outstanding students.

THESPIANS

ACCENT ON PROFESSIONALISM

The National Thespian Society is an honorary organization only in the sense that students are given recognition for having met certain standards and requirements. Membership in the society is evidence of the student's desire to be associated with others of his own age who are working for better play productions. Membership places upon one the obligation of performing one's best, with the knowledge that additional honors come to those who accept greater responsibilities and learn cooperation. The Thespian motto is "Act well your part; there all the honor lies".

CLUB OFFICERS: (l to r): Jerry Turner, treasurer; Nancy Fabian, secretary; Dick Raisig, president; Greg Cornia, vice-president.

The National Honor Society is an organization composed of people of outstanding merit. Those people who are outstanding in these four ideals truly deserve the recognition of Honor Society membership.

ATHLETIC COORDINATOR

MR. ROY MERK

If each family raising a boy in this complex society that we live in today would follow these four simple rules, many of their problems and heartaches would be lessened.

1. Set up and supervise regular study hours at home and see that they are followed.
2. See that he has a regular boy's hair cut.
3. No car until he graduates from high school.
4. Encourage him to take part in some type of athletics.

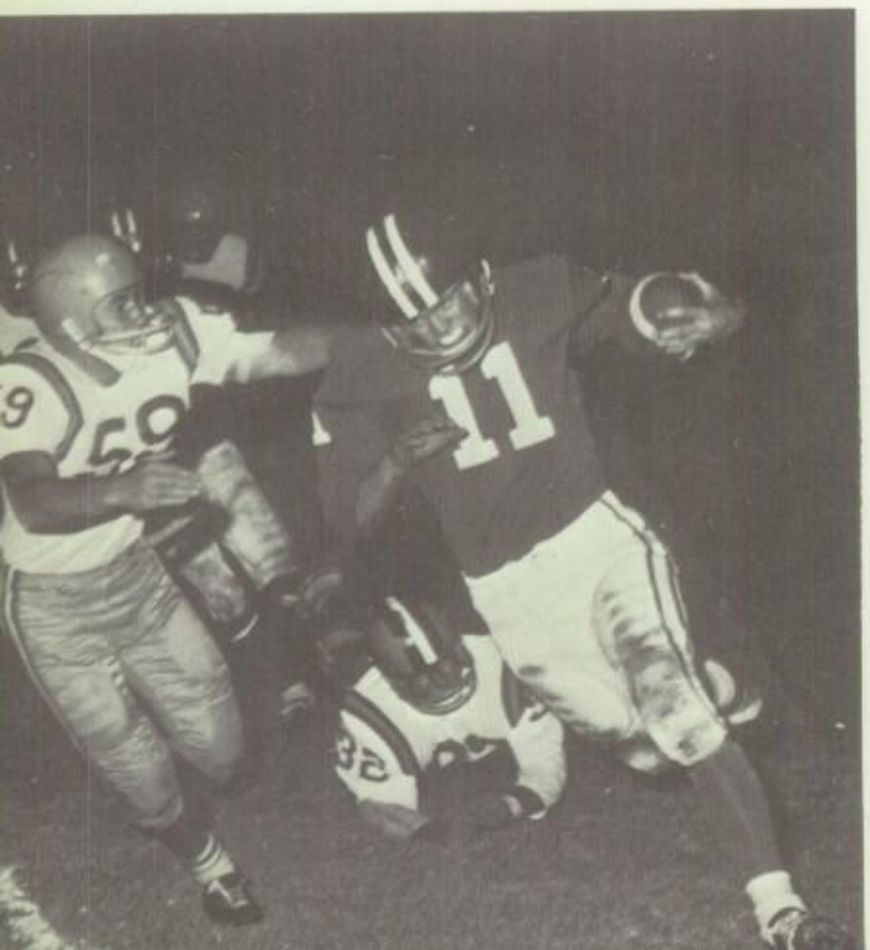
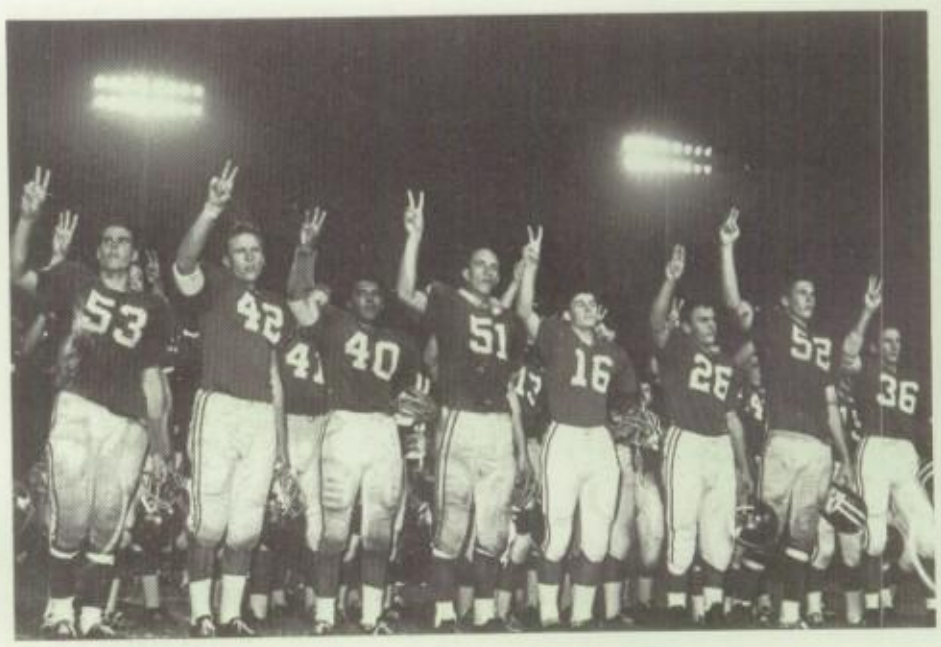
Veteran halfback Steve Beerer exploded for three touchdowns and his teammates added two more, as Western defeated Riverside Poly, 31-7. Transfer backs Mike Bielman and Glen Wall both started in the backfield and gained 59 and 40 yards respectively. Doug Mooers played his usual great game on defense while catching five passes for 47 yards. Quarterback Jack Worley completed seven of eight tosses for 84 yards, while second-string signal caller Rich Rook was two for three for nine yards.

A 12-6 victory over Millikan raised the Pioneers' record to 2-0. Western's scoring machine, halfback Steve Beerer, tallied near the end of the first period to give the Pioneers a 6-0 margin. Midway through the third stanza, Beerer swept right end from four yards out for his fifth TD of the season and second of the game as Western increased its lead to 12-0. The Rams rang the bell on a long scoring pass to narrow the gap to 12-6, but the Western defense tightened to send the Millikan crew back to Long Beach with a defeat.

Western's footballers rolled to their third straight victory with a decisive 20-0 win over Magnolia. Senior halfback Steve Beerer carried the ball 15 times for 103 yards and two TD's to give him a tie for the County scoring lead with 42 points. Quarterback Jack Worley had an excellent night, completing six of seven passes for 105 yards and tossed one 15 yards for a score to halfback Bob DePippo.



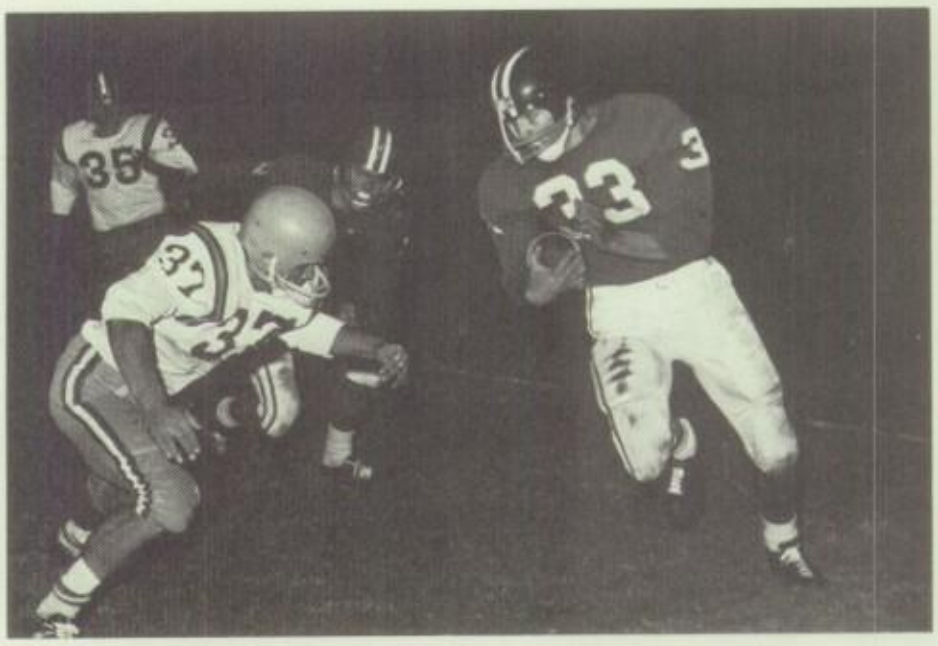


Western entertained Azusa in the final pre-season contest of 1964. At the half, the Pioneers had rolled to a 19-13 edge. After adding another six points to make it 25-13, the Pioneers' defense collapsed. The Aztecs pulled out a 26-25 upset victory over the highly-rated Westerners. Halfback Steve Beerer scored another touchdown to give him eight for the first four games and the Orange County scoring lead. Doug Mooers caught three passes, while his flanker mate Steve Brad added six to give them each 11 catches in the Pioneers' first four tilts.

The Pioneers got back on the winning trail with a 27-2 victory over Marina. The win put Western's league record a 1-1 and their over-all mark at 4-2. Steve Beerer tallied touchdowns on runs of 2 and 61 yards to give him 60 points for the County scoring lead. Doug Mooers scored on a 33 yard pass from Jack Worley and Richard Rook took one in from the one yard line.

Western opened its Sunset League schedule with a shocking 34-7 defeat at the hands of powerful Santa Ana Valley. The Pioneers played the game without the services of halfback Steve Beerer, the County's leading scorer. Quarterback Jack Worley raised his total passing yardage to 564 with an 11-for-28 evening, while end Steve Brad added three receptions to his grab bag and Junior flankerback Mike Bielman caught four.

Western dropped its second league game in three starts with a 26-7 loss at the hands of the strong, Westminster Lions. Western gained 177 yards total offense in the first half, while holding the Lions to just 14 yards rushing. However, in the second half, Westminster and quarterback Shawn McKinney staged a rally to outscore the Westerners, 19-0, and ice a Westminster victory.



Western put together a modest running game with a modest aerial attack to overcome the Santa Ana Saints, 13-7. Junior Mike Bielman scored for Western on a one-yard left end sweep late in the first period to give his mates an early 6-0 halftime edge. Santa Ana took a temporary 7-6 lead in the third period. In the final period, quarterback Jack Worley unleashed a 22-yard TD bomb to end Doug Mooers to give Western its final 13-7 margin.

Anaheim wiped-out any hopes of a winning Sunset League finish by the Pioneers, and the Colonists romped, 34-7. Western closed out the campaign with a 2-3 league mark and a 5-4 overall standard. The rugged Colony defense held Western's running game to 63 yards, while rushing for 139 and passing for 45. The Westerners gained 65 air yards, all on the arm of reserve quarterback Rich Rook, who scored the only Pioneer touchdown on a seven-yard end sweep near the end of the contest.

With the fine talent that developed from the Junior Varsity, future success on the Varsity level seems assured. This year's J.V. squad extended its winning streak to 26 in a row before being beaten by Anaheim, 20-0. Up to that point the J.V.'s, with the aid of coaches Bob Wilton and Paul Kendall, had rolled to an impressive 8-0 season record.

Mr. Ezra Van Horn, in his first year as the Varsity Basketball coach at Western, led the Pioneers to their second consecutive League Championship and into the quarter-finals of the C.I.F. playoffs. Mr. Van Horn introduced a type of basketball that had not been prevalent at Western. He sped up the tempo of the game, took advantage of the fast break, and stressed an offense which utilized the center position as the key. The pre-season games resulted in experimentation and adjustment, but once league started, Mr. Van Horn had corrected most of the problems resulting from a new system and the Pioneers coasted to a 10-0 league record. Mr. Van Horn is a determined advocate of conditioning; maintaining that the conditioned team will capitalize on the opponent's mistakes and will be less tired during the most important fourth quarter. Mr. Van Horn has done a remarkable job with the 1965 Pioneer Varsity. With the aid of the experience he has acquired as a first year Varsity mentor, Mr. Van Horn will enjoy many more years as successful as 1965, but as all first year coaches, he will always remember the first Championship, the first C.I.F. games, and the "broken ankle".

WESTERN REACHES QUARTER FINALS IN C.I.F. PLAYOFFS

Ed Mills grabs loose ball in Centennial contest.

The Pioneer Basketball Team represented Western in C.I.F. competition for the second successive year. The first game was with Chaffey on the Pioneer's home court. After a rather disappointing first half, the Pioneers rallied from behind with accurate shooting and aggressive defense and rebounding. The result was a 62-55 victory for Western. The second playoff game was scheduled against Centennial, the 4th ranked team in the C.I.F. polls. From the opening tip to the closing seconds, Western played its finest game of the year. The final score was 74-57, Western. With two victories, in the playoffs the 1965 Pioneer team had surpassed any previous heights achieved the previous year. Western's next opponent was North Torrance. The lead changed periodically in the first half with North Torrance taking a 3 point advantage at half. The Pioneers rallied from behind, as they had all year, and led into the closing minutes of the game. North Torrance forged ahead in the closing seconds, but again the Pioneers rallied to tie the score and send the game into an overtime. After the 3 minute overtime, North Torrance was up by three points, 73-70, thus eliminating the "Cinderella" team of the playoffs. The accomplishments of the 1965 Pioneer Basketball squad in C.I.F. competition might be equaled or surpassed in the future, but never will the student or basketball fan witness a more surprising and exciting basketball team.

Under the leadership of Coach Gary Lindell, the Western J.V. Basketball squad continued its winning ways. Coach Lindell did an outstanding job with the new and inexperienced talent that composed his team. He had but one returning letterman, Gary Peters, who led the team in scoring and rebounding. The J.V.'s needed a victory in the final league game for its second consecutive league title, but were upset by an aroused Anaheim squad. With an added year of basketball maturity, the 1966 Pioneer Varsity should be well represented.

The Bee and Cee Basketball teams were composed of practically all sophomores, consequently they were being orientated to a completely new system of basketball. Even so, both teams adapted quickly and developed into sound basketball squads. The Bee coach, Mr. Marv Blemker, and the Cee coach, Mr. Jack Anderson, did a fine job indoctrinating their teams to the new system employed by head basketball mentor, Mr. Van Horn. With such talent yet developing, Western seems certain to maintain its reputation as a basketball power.

DEFENDING CHAMPS

Track at Western has long been a highly successful sport. This year's squad will attempt to defend its League championship, and at the same time, form new stars at the Bee and Cee level for future years. The Bee and Cee squads have patterned themselves after the winning habits of the Varsity, so 1965 should prove another successful year in track for Western.

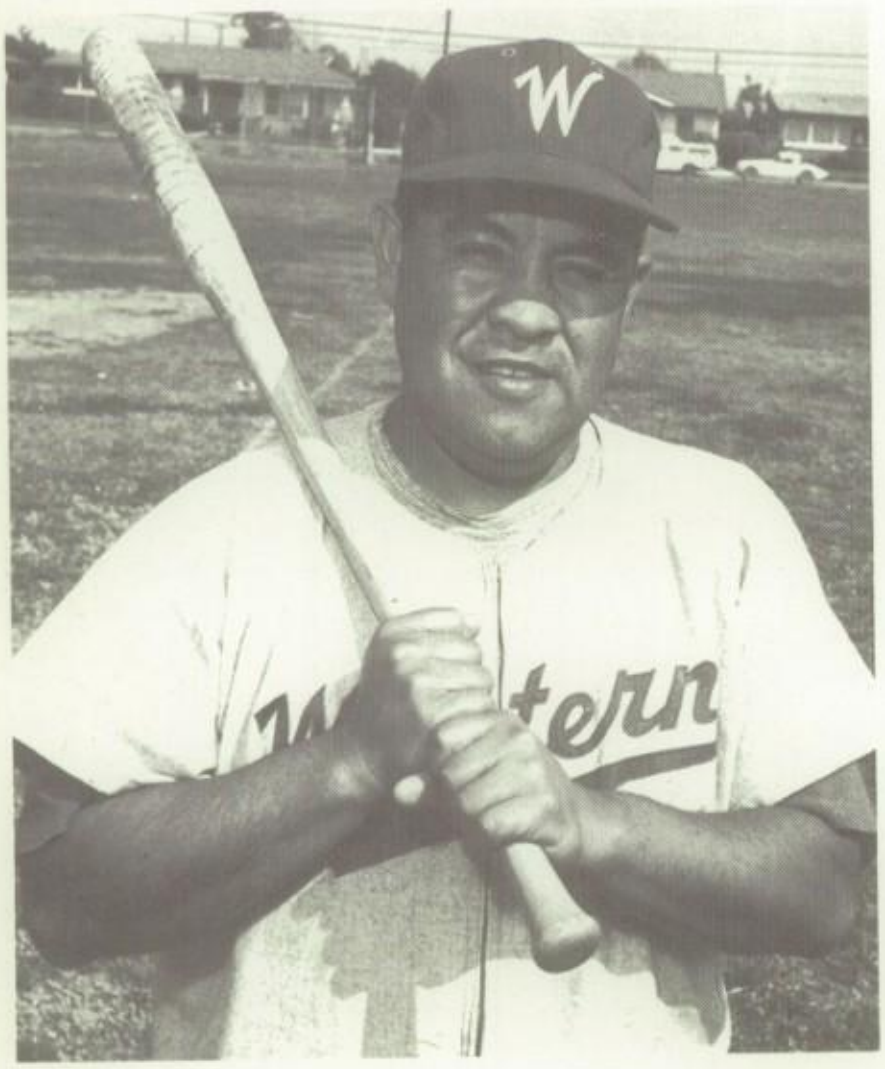
Coach Dave Hernandez has been the primary factor in the rapid climb of Western's Orange County and C. I. F. baseball prestige. His overwhelming knowledge of the game and his success in conveying this material to the individual player has resulted in a C.I.F. play-off berth for the past three years, while one team progressed to the finals.



PIONEER BASEBALL LEADS WESTERN ATHLETICS IN C.I.F. PARTICIPATION

Baseball in Orange County is associated with Western. No other sport at Western has enjoyed the success that has been customary of Pioneer baseball teams. The Pioneers under the leadership of Coach Dave Hernandez, have established Western as one of the top two or three baseball powers in the county. Such great high school stars as Andy Messersmith, have matured under the wing of Coach Hernandez and are now working their way through the farm systems of major league clubs. The 1965 Pioneer team is also representative of the efforts of Coach Hernandez. This year's squad has coasted through the preseason schedule, building up the momentum to carry them through league and then into C.I.F. The 1965 team is capable of developing into a champion, and Coach Hernandez has proven his ability to field a champion. The 1965 season looks like another winner and should provide many exciting and rewarding moments for the Pioneer fans.

Besides fitting each individual to equipment and taking care of that equipment, Chick serves as a laundry boy, janitor, lost and found department, and general overseer. Chick's counterpart is located at the other end of the locker room or in room 30 performing his duties as a health science teacher. Cal Johnson has taped more ankles and wrapped more legs and arms than any other previous trainer. Without Mr. Flynn or Mr. Johnson, the Boys' Athletic Department would be in dire need of organization and assistance.

GAA - GIRLS ON THE GO

GIRLS' ATHLETIC COORDINATOR

MRS. LAURA WUBBEN

Department Head for Girls' Physical Education, Mrs. Laura Wubben was born and raised in California. A Glendale resident, she attended Glendale High School for three years. With the desire to further her education she chose to attend Pomona College where she lived on campus.

Long before entering college she had decided upon a teaching career. " I wanted to help girls as much as I could; I enjoy being around them," replied Mrs. Wubben when asked why she chose girls' physical education.

Her teaching career opened with her first job at Compton High School, where she taught until 1957. After teaching at Brookhurst Junior High for two years Mrs. Wubben came to Western and has been here for six years. Besides being a physical education teacher Mrs. Wubben is a very proud mother. Her lovely nineteen year old daughter, Peggy, is now in her last year at Fullerton Junior College where she is studying to become a Dental Assistant.

Western is proud to have Mrs. Wubben as a member of its teaching staff. She is a capable and interested teacher who has devoted much of her time and guidance to her students, in return these girls have gained maturity and respect for the goals of womanhood.

Mrs. Wubben notes technicalities of volleyball game.

Mrs. Wubben spends her free period planning the day's schedule.

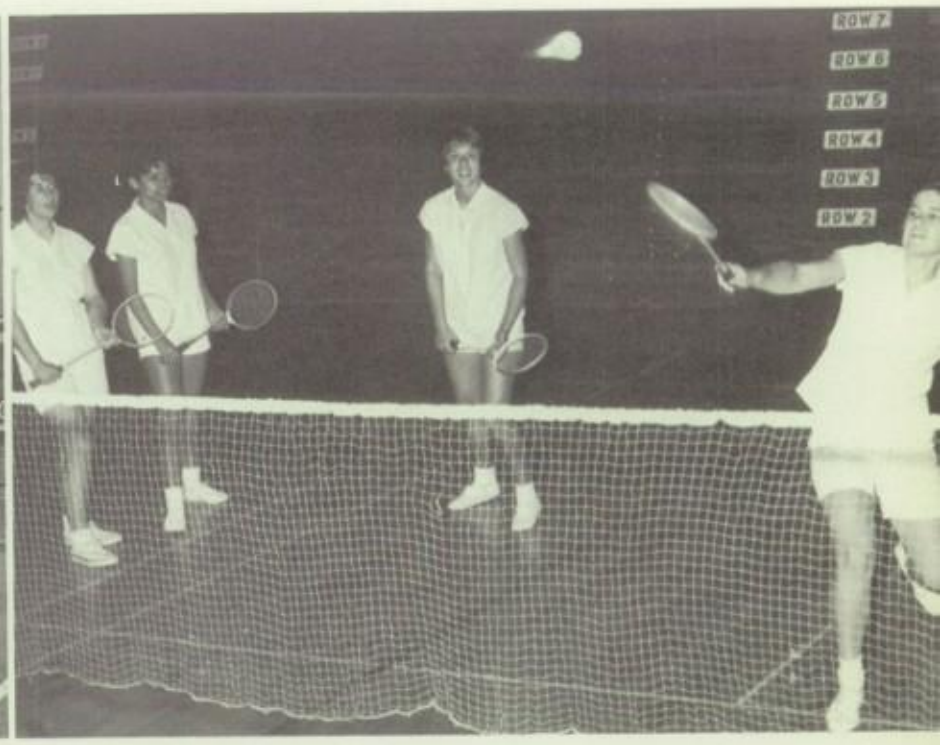
Opponents prepare to return the volley.



With skillful precision, she smashes the birdie over the net.

Most valuable swimmer, Carolyn Esky, executes the side stroke.

Most improved, Mary Lynn Burke, demonstrates her talents.

For every girl wishing to improve her own skills and represent Western in tournaments, GAA offers tennis, badminton, and swimming. These individual sports teach girls to rely on their developed talents and make their own judgments. Therein lies the importance of individual sports.

WE ARE PROUD . . .

Completion—of a year, a high school education, a study of Government or French, an annual. Each of these share a common bond, for they were completed under stress, but with joy and satisfaction.

As editors of the *Pioneer '65* we are very proud of the finished product. Many compromises with perfection were made in order to complete deadlines. Yet, these compromises do not detract from the book, because they represent the results of many hours' work. Irregular hours and countless weekends were devoted to this year's annual. Still completing the job in a creative and appealing manner often causes animosity and perhaps the loss of respect of a few staff, student, or faculty members. Resentment does not last long with the staff member, for he realizes the final goal and the need for harmony in such a situation.

We are very proud of our staff, for only four members had previous experience on such a publication as the *Pioneer '65*. The new members had to become oriented in the way of production—they had to learn the theme and style, the problems of photography, and the patience to cope with large sections of the book. This was accomplished and soon elevated to an even higher degree of sophistication.

We are proud of our advisor, Mr. Ralph Rothrock who has steadily improved Western's publications. His third year at Western has been a rewarding one, for we feel the *Pioneer '65* has never been equaled.

Sincerely,

Becky Lutz

PATTY PIONEER

JONNIE ANDREWS

Students Choice

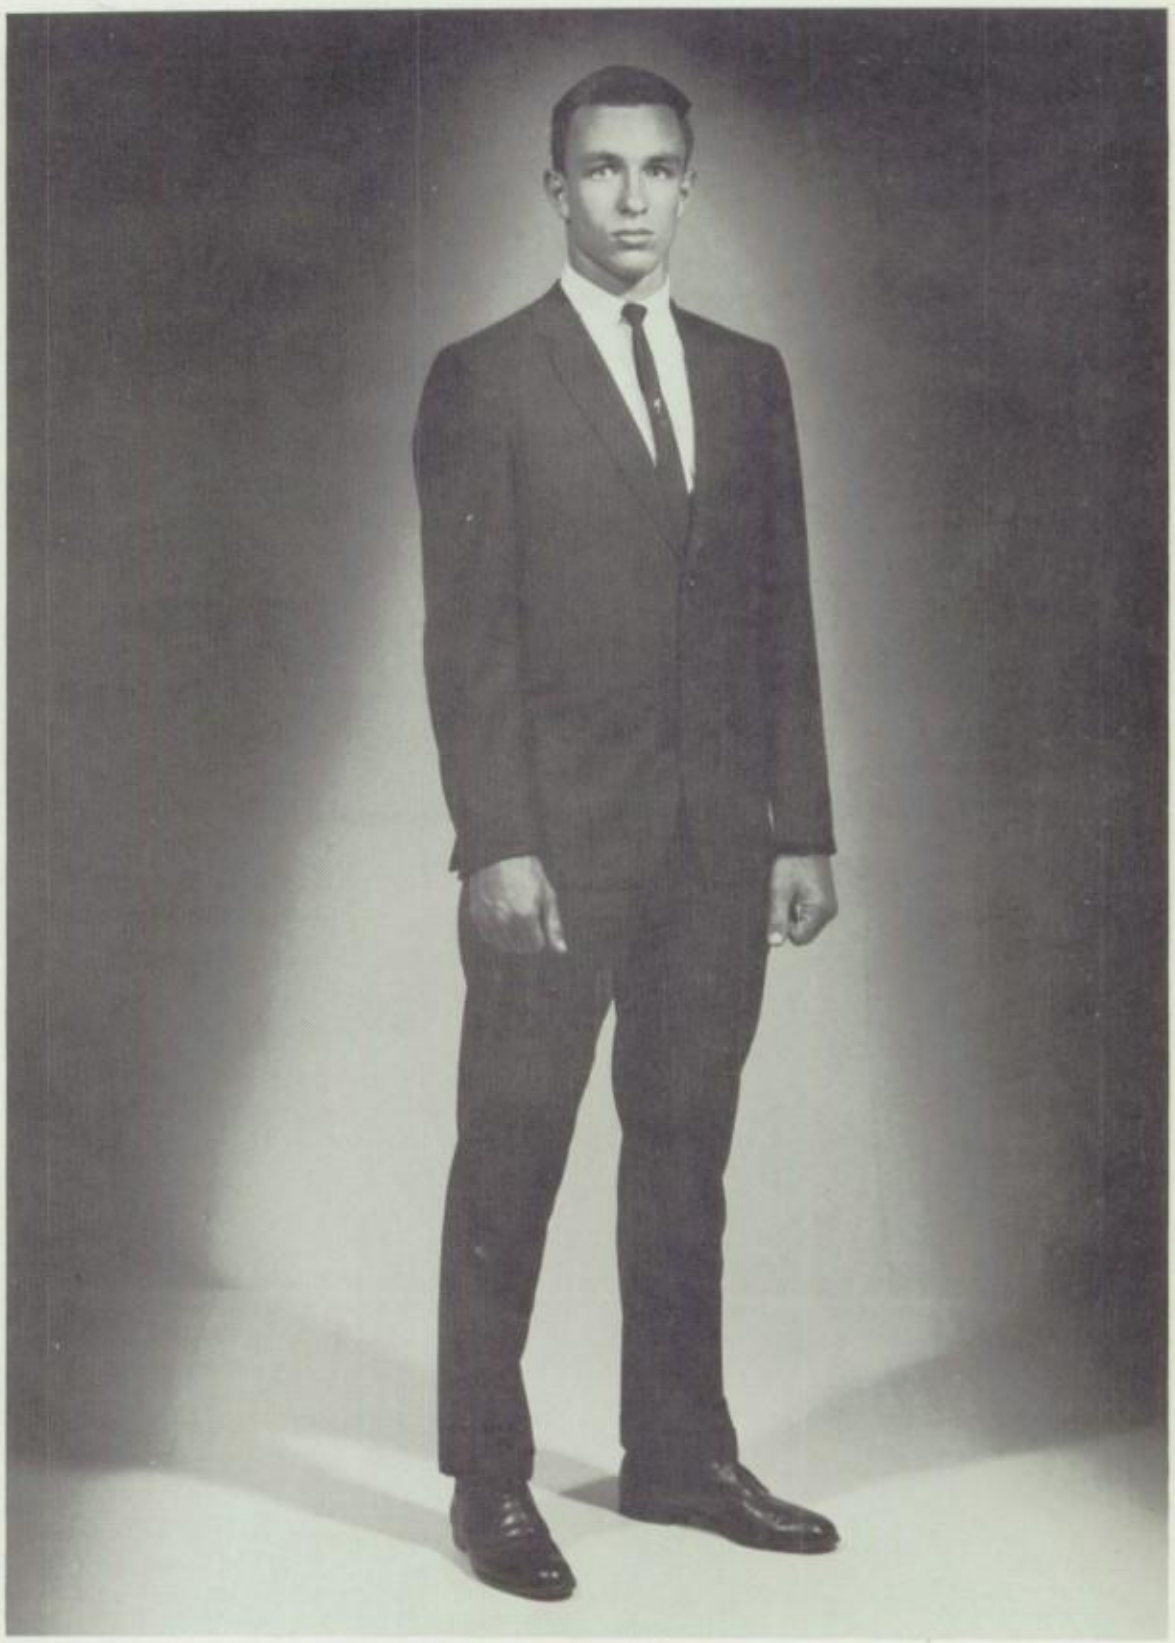
The highest honor received by a girl attending Western is to be named Patty Pioneer. The students themselves select who they believe typifies the ideal Pioneer girl. The student body has once again proven its good judgment and chosen Jonnie Andrews as this year's Patty Pioneer.

Proving her desire to participate actively in student body affairs, as a sophomore Jonnie was a member of Pep Club, Girls Athletic Association, Student Congress Representative and crowned Queen of the Sophomore Sweetheart Ball. Her Junior Year she was selected a cheerleader and became a Girls' League Representative, finding time for participating in speech tournaments and the American Field Service.

Climaxing her Senior Year at Western she was selected Head Cheerleader and chosen to reign over Western's Fifth Annual Homecoming Week as Homecoming Queen. Jonnie not only attends Western, she has become a part of it. Jonnie Andrews — Patty Pioneer.

PAUL PIONEER

STEVAN BRAD

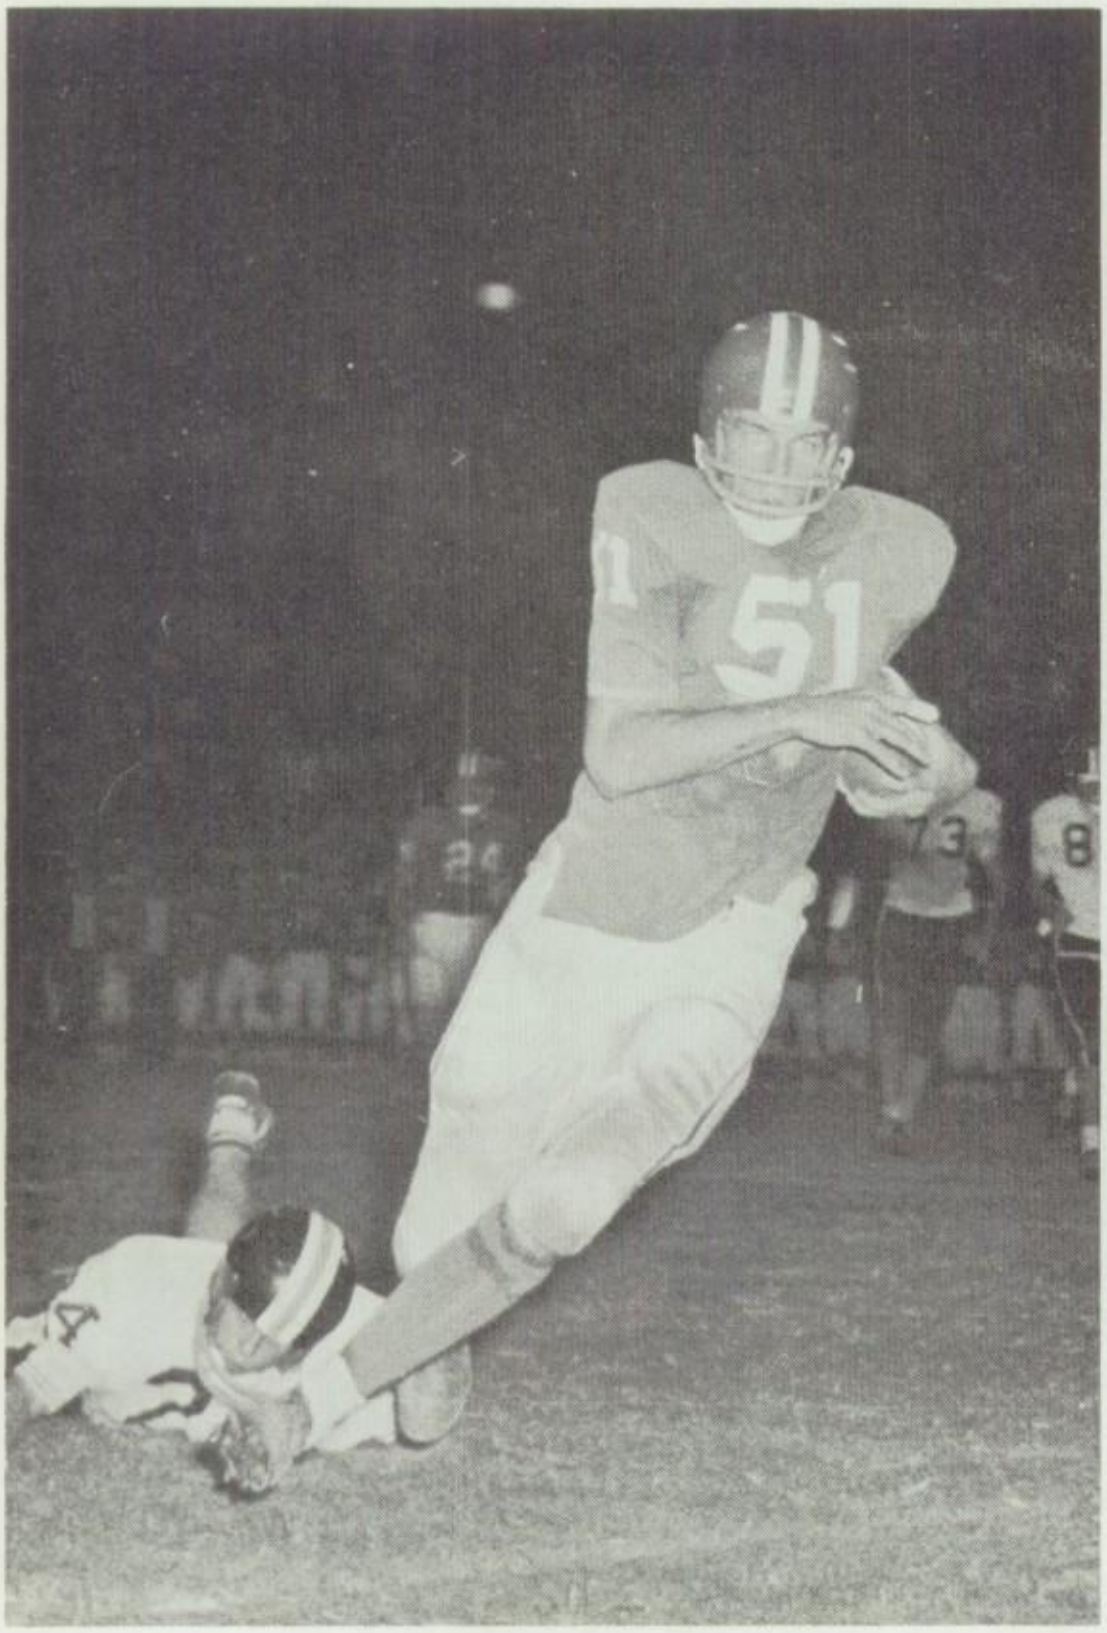


Service to School

Scholarship

Citizenship

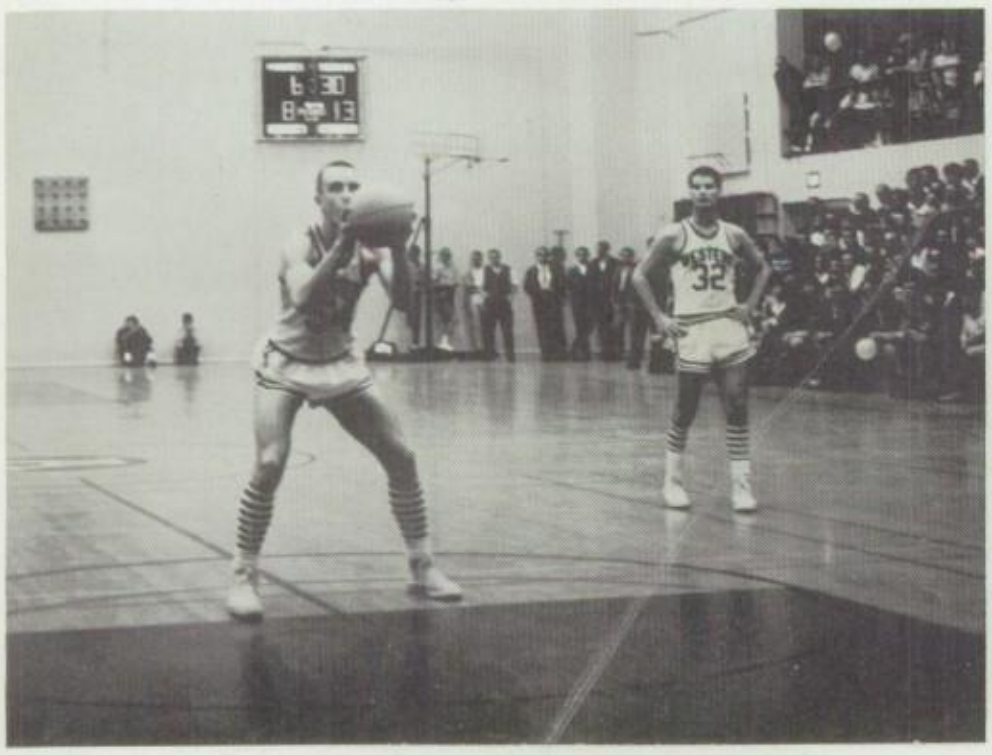
Steve Brad has been a prominent member of the Western campus for the past three years. Through his achievements in athletics, Steve has gained the respect and admiration of students, faculty, and opposing schools. As Sunset League Basketball Player of the year and captain of the Sunset League Champs, Steve insured himself of the Athlete of the Year Award. He has been an active member in the Varsity Club for the past three years. Steve also won an honor in the annual Anaheim Youth In Government Day. His essay enabled him to serve as Anaheim's Superintendent of Parks for a day. Steve Brad's service to Western has helped him attain the honor of Paul Pioneer.



1965 ATHLETE OF THE YEAR- STEVE BRAD

Steve Brad climaxed his three years at Western with an outstanding performance as a senior which earned him the 1965 Athlete of the Year honors. Steve's consistent play as an end during the Football season drew the attention of many football enthusiasts. During the Basketball season, Steve was the Pioneers leading scorer and rebounder, and gathered All-Sunset league Player of the Year, 2nd Team All Orange County, and All city honors. As a junior he lettered both football and basketball, and as a sophomore Steve lettered in basketball. Steve Brad has brought many thrills to Pioneer fans during his three years at Western. With his outstanding ability and desire, Steve should gather many more honors as an exceptional athlete.

The consistent play by Brad during the year attracted the attention of fans and students alike.

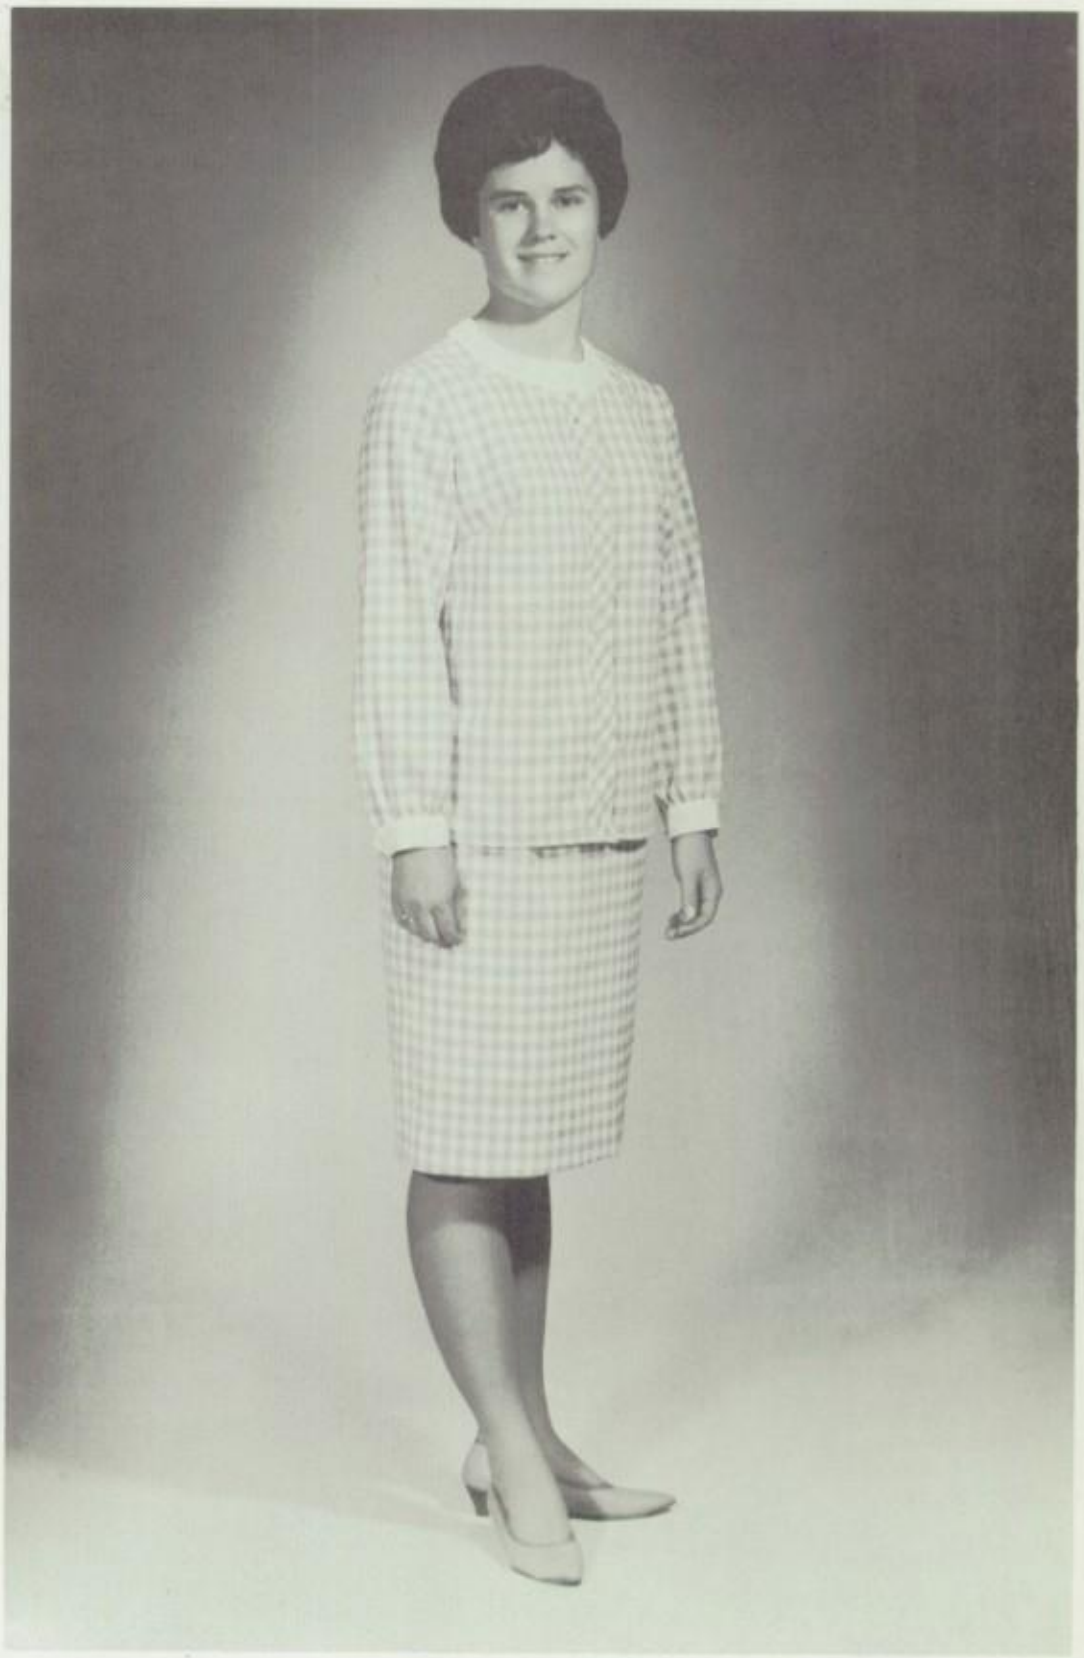


GAA GIRL OF THE YEAR- CHRIS DUTHIE

1965 would not be complete without recognizing fully the highest honor that can be received by a member of the Girls' Athletic Association of Western High School. Chris Duthie is the recipient of this honor as "GAA Girl of the Year" for 1964-1965.

An active member in GAA for three years, Chris has gained the respect and admiration of the fellow members of the organization.

She has done an outstanding job each year as captain of every sport in which she has participated. Last year Chris served as Vice-President and representative to the Committee of the Constitutional Revision. Her responsibilities this year as GAA President have kept her a busy and active senior.



Chris scores the winning run.

SOUNDS OF THE PIONEERS

Directed by Mr. Fred Frank, Western's Pioneer band gave a splendid performance at its Spring Concert. The "Sounds of the Pioneers" entertained students and adults with many selections ranging from the "Triumphal March" from "Quo Vadis" to the theme from "Pink Panther."

Phyllis Thompson's enterpretive dance accented Gershwin's Second Prelude. Playing the trumpet, George Waibel gave a beautiful presentation of Changing Shadows. Other featured soloists were Gail Martin on the oboe and Dave McKissack on the alto saxophone. The enjoyable evening came to a close with Western's Alma Mater.

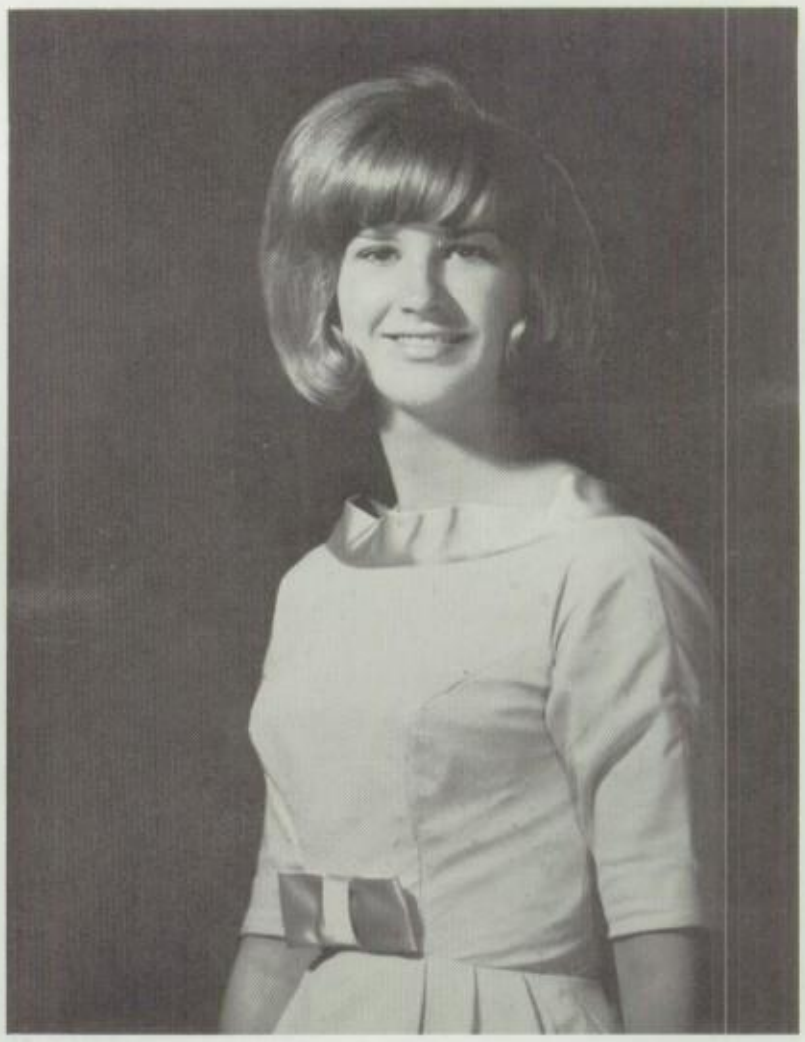
Phyllis Thompson does an interpretive dance to George Gershwin's "Second Prelude."

Mr. Frank conducted the Pioneer band through an impressive performance.

AFS QUEEN WILL WELCOME FOREIGN STUDENTS FOR 1966

Queen Karen Purcell

As AFS Queen, Karen Purcell will have more than the pleasure of reigning as a queen, for her position holds many responsibilities. Her official duties as hostess to Western's foreign students are many and varied. During the summer months she will write letters to the foreign student that has been chosen to attend Western. She must tell him of the American way of life and describe the activities he will participate in as a Pioneer. She will arrange for his senior picture, class ring, annual, and countless other details to make his student life wholehearted. All of the duties that Karen will undertake contribute to one objective: showing Western's foreign student a sincere wish for friendship and understanding.



Princess Rae Dell Gee

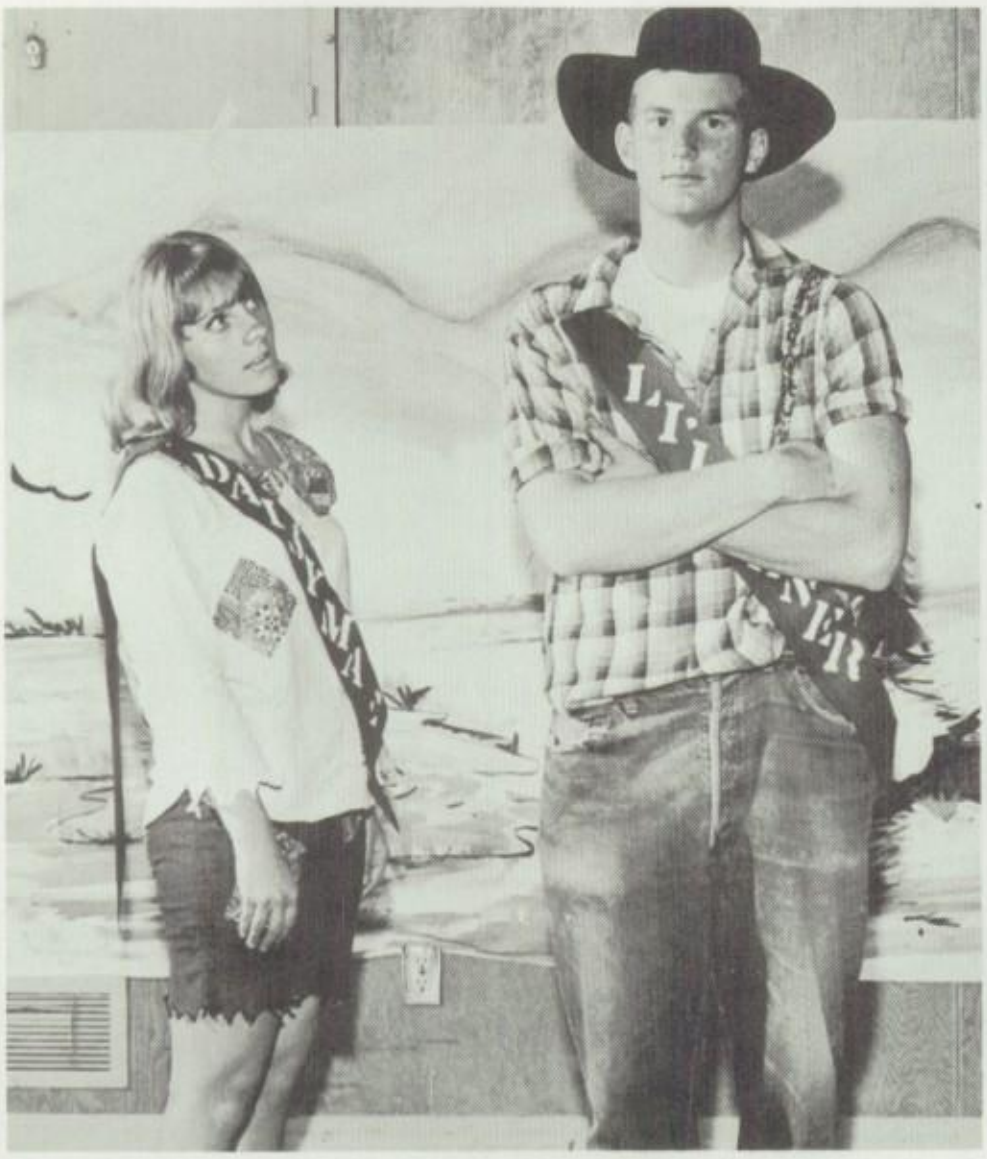
Princess Kimberly Wright

Queen Karen Purcell reigned over Ball.

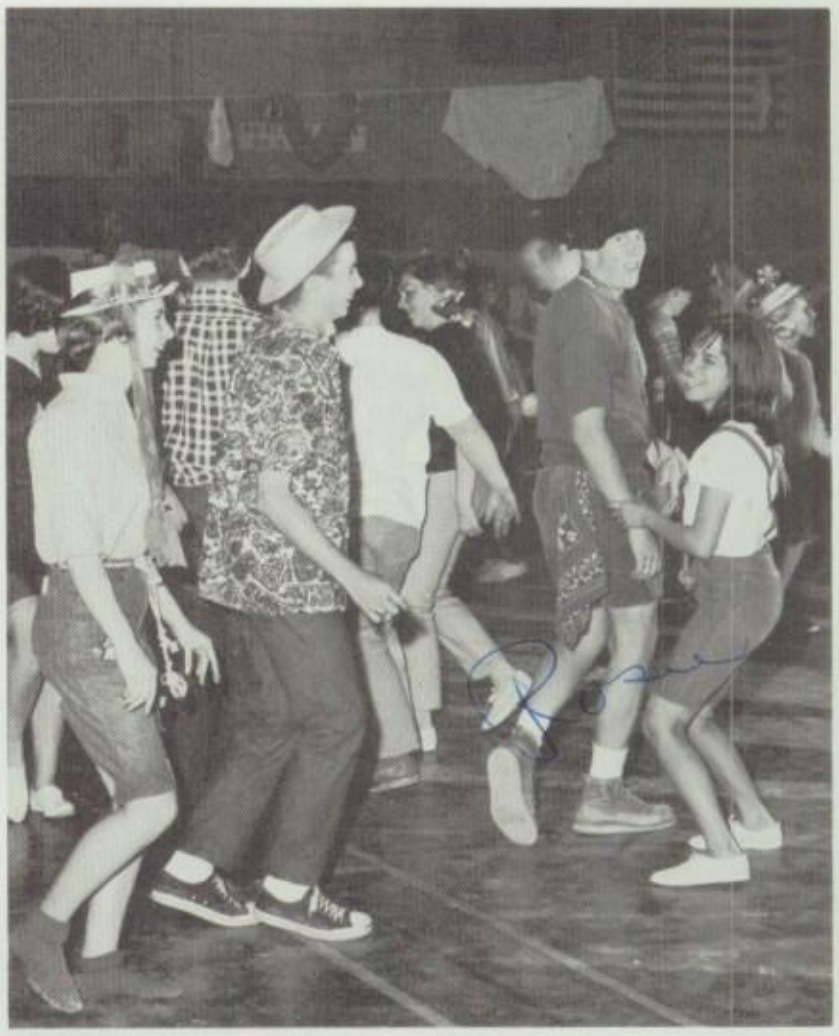
BEACHCOMBERS' BALL

Sponsored by Western's GAA, the Beachcombers' Ball, whose theme was Shipwrecked, proved an enjoyable success for all who attended. The participants of the casual affair were entertained by the Boy Blues, who played popular dance music. The evening was highlighted by the crowning of the 1965-66 AFS Queen.

Beachcombers danced to the sounds of the Boy Blues.



Crickette Rodman and Skeeter Pickering were chosen Daisy May and Lil' Abner for the Sadie Hawkins Dance.

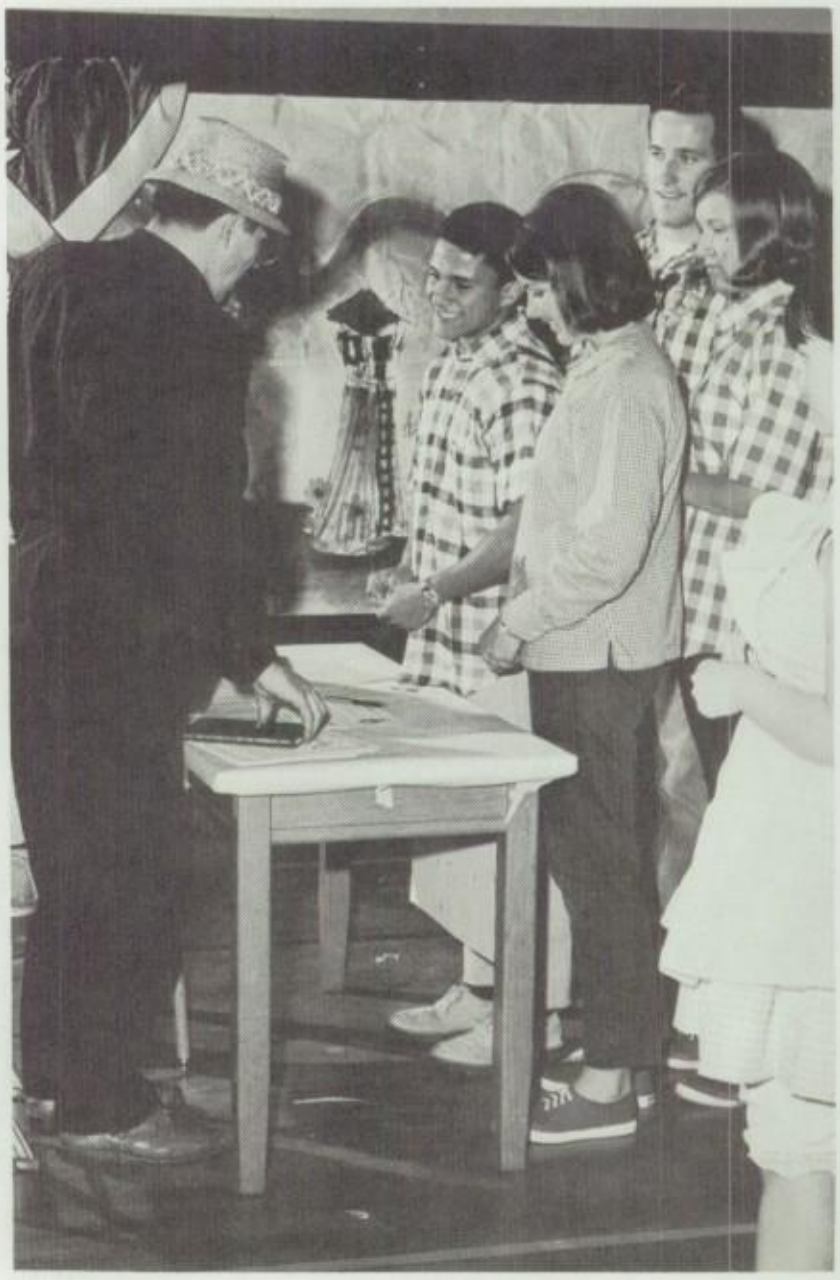


Everyone seemed to enjoy the "Hillbilly" atmosphere.

Marry'n Sam (Mr. Kendall) joins couples in Holy Matrimony.

HOOT 'N HOLLER HOEDOWN

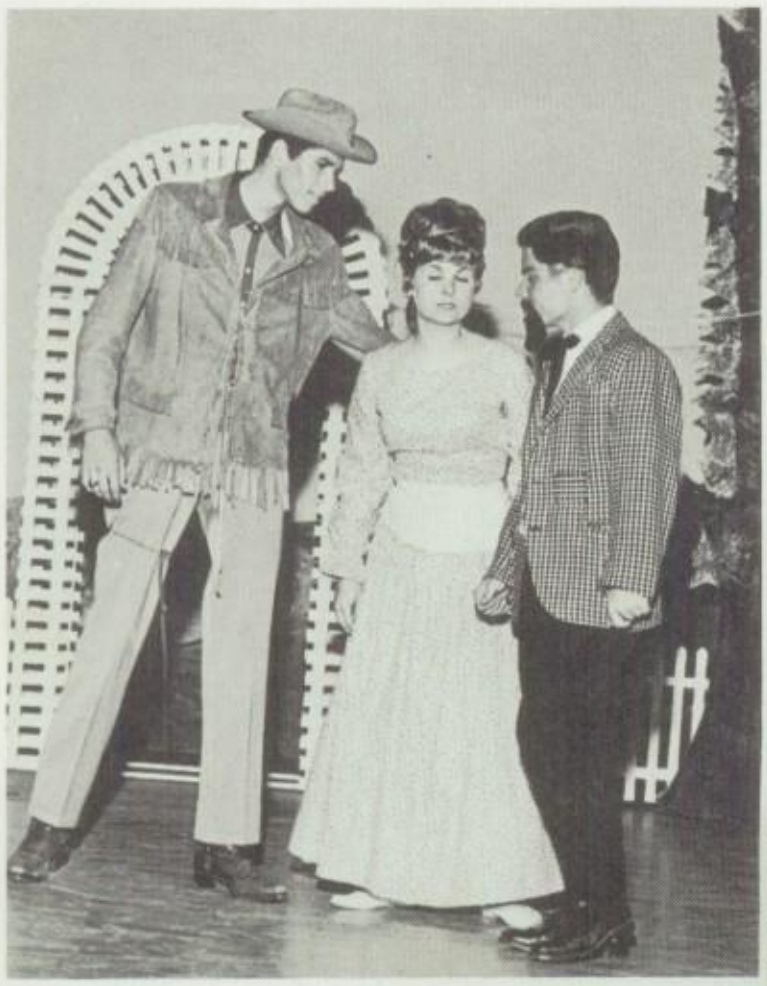
Authentic (and slightly wild) costumes were the order of the night.



CALIFORNIA: SILHOUETTE SALUTE

The theme of the 1965 Drill Team Spring Show was "California: A Silhouette Salute." Depicting the different phases of California's colorful history, the precision team performed a sailor routine indicating California's ports, a French can-can representing the gold rush era and a Spanish number honoring California's heritage. Wearing the cowgirl costumes, the Silhouettes performed the precision marching which earned first place in the Hawthorne Parade. The highlight of the evening was performed in the traditional costume of tails. This routine portrayed the "Big City Life" of California. The finale introduced each Silhouette individually and announced the new leaders for the coming year. The perfection of this performance was the climax of many hours' practice, for the drill team averaged fifteen hours a week for the duration of seven weeks. It may truly be said that this group of girls is a credit to Western and a wonderful instructor, Mrs. Margaret Eggertz.

The life of the party, Aunt Eller joins in the dancing to the tune of the "Farmer and the Cowman."



Will and Ali Hakim are introduced by Ado Annie, who cannot seem to make up her mind.

Directed by Mr. Alex Encheff, the musical operetta was presented at Fremont Auditorium May 14-15 before standing room only audiences. Larry Holman was student manager of the brilliantly-staged production. Other back-stage performers were Beth Hoyt, costumes; Linda Aprea and Sue Emmons, make-up; Pam Reaves, props; Linda Green and Pam Hopkins, scenery; Nancy Harris, publicity; and Phyllis Thompson, dance number arrangements. Minor roles were portrayed by Irene Mayberry; Hillary Dawson; Nancy Tipps; Jeanne Shore; Gary Walker; Dan Ferguson; Walter Hendrickson; Ron White; Steve Speck; and Mike Martin.

GRECIAN TWILIGHT

The "Grecian Twilight" theme of the Junior-Senior Prom holds a special memory for those who attended the dinner-dance at the Candlewood Country Club, May 22, 1965. Decorated in Corinthian Marble Columns around the beautiful pool and golf course, the Country Club was a model of sophistication. Table decorations consisted of plaster columns with ivy and gold grapes. Candle centerpieces were on each side of the table.

After dinner the couples danced to the music of the Melody Men, and waited for the crowning of the queen.
